Copy 2 of 5

21 July 1960

MEMORANDUM FOR: Acting Chief, IED-DD/P

THROUGH : Acting Chief, Administrative Branch, IED-DD/T

SUBJECT : [] Answers to Security Questionnaire

1. Pursuant to your request and via [] were required to complete security questionnaires which would be utilized in the final determination of their future Agency usage. Attached is a list of questions asked and the responses of each of the []

2. It should be noted that no special interrogation techniques or devices were utilized in the eliciting of these responses. The answers indicate varying degrees of cooperation, but on the whole, compare favorably with the results of the [] investigation conducted by representatives of Office of Security, CI Staff and IED Security Section.

3. The questionnaires, in the opinion of IED Security Section, establish the following:

a. [] know the identities of most important Project personalities.

b. That there is general knowledgeability among the drivers that the Agency is presently engaged in the development of a successor vehicle to the U-2, with speed of Mach 2.5 to 3, altitude of [] a manned turbojet, ram-jet combination, that development is by either Convair, Lockheed or Boeing, that the vehicle will be tested at the [] and the identities of some of the personnel presently assigned there.

25X1A 4. Based upon the foregoing, it is the considered opinion of the DPD Security Section that knowledgesability of Agency operations possessed by the [] is such that any future utilization for overflight activities is not in the best interests of the United States Government.

25X1A 5. It is requested, after you have perused the attachments, they be returned to DPD Security in order that we might, pursuant to your request, follow up in those cases where answers appear to have been irresponsibly given and in order that full exploitation might be effected in connection with the Office of Security/CI Staff/DPD Security coordinated [] study.
